

STUDY IN FRANCE

DO YOU HAVE A PASSION FOR ALL THINGS FRENCH? ARE YOU LEARNING THE LANGUAGE AND COULD YOU SEE YOURSELF STUDYING AND EXPLORING THIS BEAUTIFUL COUNTRY?

Ranked as the number one tourist destination in the world, France is a beautiful and important cultural centre - known for its elegant language, architecture, fashion and sophisticated food. France has 37 sites in the UNESCO's World Heritage List and features cities of high cultural interest, beaches, alps and rural regions that are famous for their beauty and tranquillity.

The French language has a long history as an international language of literature and is famously described as the language of love. It is also the second most studied language around the world.

Picture yourself living in a delightful French village, immersed in the stunning language and rich traditions that the country has to offer. Imagine on your walk to school, stopping by the local *boulangeries* to pick

up a sneaky croissant or *pain au chocolat*, before heading to school to learn with local students from the village.

Most students attend school from Monday to Friday between 8.30am and 5pm with a 1-2-hour lunch break. During your school stay, the opportunity may arise to assist the local teachers with their English classes, which is a great opportunity to see how they teach your native language.

Students can attend school in various regions of France, including some of our most popular locations for home-stay and schooling. These regions include Provence, Ile de France and Aquitaine.

Food: The French definitely know good food, from their crunchy baguettes made fresh daily, to decadent pastries and sweets, they have it all. But they really love their cheese! They eat
